

### TOCICO Nondisclosure Agreement: Ballistix

As a contractor for TOCICO Marketing campaign, I pledge to:

1. Maintain and encourage high standards of professional conduct and integrity with respect to all contract activities.
2. Neither participate in the exploitation (take unfair advantage of) nor encourage the exploitation of one's contractual position, knowledge of classified TOCICO membership data and including name, email address, phone, resident and business information for personal gain.
3. Not contribute knowledge gained from access to TOCICO Member and non-member contact information for personal gain or to provide any parties not associated with the contracted work access to the information.
4. Hold confidential any information provided by the TOCICO for the contract.
5. Maintain confidentiality about the specific campaign content.

Violation of any of these pledge activities is considered a violation of this contract.

I pledge to abide by these five items.
